This is the last *Buttman Magazine*, at least for quite a while. As much as I love doing the magazine, I need to move on in my life. I have other artistic endeavors I need to pursue.

Making a hard-core magazine, totally ass-oriented and unashamed about any aspect of sex, well, that is the most fun job in the world for me. But we don't make money with a print magazine in today's Internet world. This is a labor of love.

It is possible that after pursuing something else for a while I will come back to creating what I love here, but for now no more *Buttman*.

Thank you, my fans, the people who have appreciated this magazine over the years. I found an affinity with fellow ass lovers that bonds us in this often sterile world.

And thank you Evil Angel directors for providing the photos for this most personal magazine of mine.

Lea Lexis in "Voracious Season Two Volume 1"

Diamond Kitty in "Titty Creampies #6"

Mia Lelani in "A POV Sphinctacular"

Anikka Albrite in "Voracious Season Two Volume 1"

The first season of porn pioneer John Stagliano's "Voracious" series delivered vampire intrigue and kinky, hard-core sex. The new "Voracious Season Two Volume 1" is the first installment of a projected 5-volume set containing all 20 episodes of the second season. "A vampire movie is an ideal vehicle for exploring the sophisticated sexuality of today's porn performers," says John. "Season Two Volume 1" offers five sexual encounters, but "the guts of the movie is not the sex scenes, it is the eroticism, the attention to sexual detail, used to enhance each encounter in mysterious, highly charged, dangerous ways. From the aerialist erotic encounter (Stoya and Lea Lexis) to the fortune teller parlor mystery latex ass to the lost-in-the-forest-vampire sexual assault, there is nothing conventional about this porno movie."

In "Titty Creampies #6," Kevin Moore explores the cleavage of seven stacked sluts ranging in size from Alison Tyler's 36DDD to the 40HH monster-pontoons of Amy Anderssen. Each siren teasingly strips down to her curvaceous charms, oils her breasts and squeezes his shaft between her knockers for Kevin's POV camera. He creams the curvy racks of Summer Brielle, Ava Addams, Lylith Lavey, Romi Rain and Diamond Kitty. Also from Kevin: Panty fetish, frottage and cum shots covering butts in "Panty Pops #9." The cleavage getting rubbed, reamed and creamed in "Crack Fuckers #5" is fleshy ass cheekage.

Also from Buttman Choice: MeanBitch Productions delivers the femdom "Facesitting Tales #4." LeWood Productions plunges buttholes in "A POV Sphinctacular." And "Buttman's Stretch Class" is back in session; the kinky 17th volume stars Laela Pryce, Hennessy and Marina Visconti.

RELEASE SCHEDULE

1/2: Rocco's Perfect Slaves #2
2/3: XXX Fucktory: The Auditions
3/3: Rocco's Perfect Slaves #3

Henessy and Samantha Bentley in "Rocco's Perfect Slaves #2"

Valentina Nappi in "XXX Fucktory: The Auditions"

Legendary performer/director Rocco Siffredi sees his "Perfect Slaves" series as a continuation of the rough, male-dominant "Rocco: Animal Trainer" line. Each scene in "Rocco's Perfect Slaves #2" features two fresh, young Euro-sluts in filthy congress with a thickly hung stud. "After I saw Samantha Bentley in 'Perfect Slaves,' I wanted to experience her... She never says 'stop' to anything. This is the best part of a perfect slave," recalls the director about the elegant yet perverse opening scene.

"XXX Fucktory: The Auditions," is a prequel to Rocco's parody of an Italian "reality TV" show. Kimono-clad Japanese model Marica Hase gets every hole serviced by American madman Mike Chapman's black cock. Beautiful Hungarian models Blue Angel and April Blue treat Rocco to a nasty threesome brimming with ass-to-mouth cocksucking. Italian beauty Valentina Nappi obediently takes Mike's meat up the ass in her first-ever scene, never before released.

Lea Lexis and Phoenix Marie in "Lex Is A Motherfucker #2"

Siri in "Lex's Breast Fest #2"

Leading African-American pornographer Lexington Steele talks about "Lex Is A Motherfucker #2": "Interracial and MILF are currently two of the hottest genres. And the ladies of 'Motherfucker #2' bring out the best in me as a performer and director. These women [Nikita Von James, Lea Lexis, Phoenix Marie, Syren De Mer, Alura Jensen] are closer to my age, and it turns me on that they are so in tune with their sexuality. That comes with age and maturity."

Of "Lex's Breast Fest #2" the director says, "I am a breast man at heart. The cast includes four incredible ladies I had not worked with before. For Amy [Anderssen] and Siri, it was their first interracial scenes on camera. It was my first time with Brooklyn [Chase] and Holly [Michaels], as well. This has been the movie that reminds me why I am still doing this after more than 15 years."

All of this intensity is captured with dreamy, high-tone videography that makes the nasty action seem all the more perverse. James romances Ash Hollywood and Lia Lor. Other studs make love to Maia Davis, Juelz Ventura and Cherry Torn.

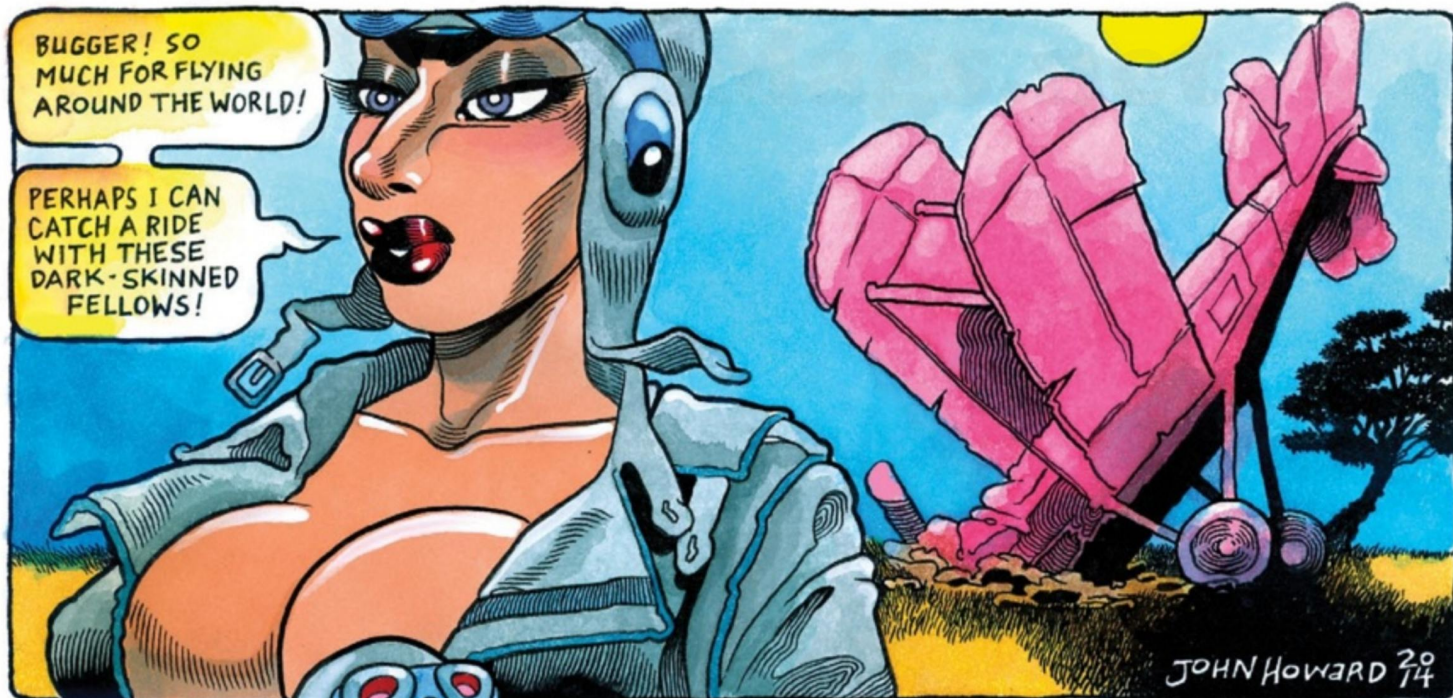

Savvy porn girls know where to let their inner freak go wild. In "James Deen's Sex Tapes: James' House," six insatiable sluts visit his L.A. estate and treat him to their uninhibited lust. Shot on the fly without elaborate sets or lighting, this is real-life eroticism — no acting allowed.
